INTRODUCING CHAIRS FURNITURE

Building on our expertise in manufacturing durable and functional products, we are excited to announce the launch of our new product line, chairs furniture. Under brand the of Mhome. Whether residential, for commercial, or outdoor use, plastic chairs designed to provide comfort, style, and longevity. This expansion reflects our dedication to meeting the evolving needs our customers and exploring new avenues for growth

COMPANY PROFILE

Where quality & innovation meet to create exceptional products for everyday use.

Founded in 2016 in Kuwait, MPACK has been at the forefront of manufacturing high-quality microwavable food containers. Our commitment to excellence and customer satisfaction has driven our growth and success over the years. We have consistently delivered products that combine durability, convenience, and safety, making us a trusted name in the industry.

In 2023, we expanded our horizons with the establishment of Rpack FZC in the UAE. This strategic move allows us to serve a broader market and cater to the increasing demand for our top-notch products. Our UAE branch upholds the same high standards of quality and innovation that our customers have come to expect from us.
